/ THE BAND

Born in Haifa's underground in 2008, Mental Maze brings together deathcore, groove and death metal with technical precision and raw feeling. Reunited in 2023, and joined by vocalist Nik Harchenko in 2024, the five-piece returned with a renewed fire. The debut EP *Here Goes Nothing* channels everyday struggles into a cathartic release. Music is therapy. Let's make noise together.
